David McAloon Files On Republican Ticket for State Representative

Bourbonnais, IL. – On Monday, October 29, David McAloon filed on the republican ticket in Springfield with 1500 signatures. David McAloon is the Republican Candidate for the House seat for the 75th District.

David McAloon announced his candidacy June 19th, and has since been working to show the 75th District that there is a better way to deal with the challenges we face in our state. McAloon has taken part in numerous county festivals, parades, and events, talking with people about the issues that matter to them. He has walked the precincts in all six counties since mid-June, and has strong grassroots support behind him.

McAloon is dedicated to seeing good government at all levels in the state of Illinois. He will run against the incumbent, State Representative and democrat, Careen Gordon. "This is not about politics - it's about a responsibility we have to the citizens of these communities," stated McAloon.
